WATCH (0-4:00) AND ANSWER.

1. What injuries did the elephant have?
2. What percentage of the global tourism industry does wildlife tourism represent?
3. What role does social media play in wildlife tourism?
4. Why are many tourists unaware of the problem?
5. Who are mahouts?
6. Why do trainers use bull hooks on elephants?

ANSWERS:

1. What injuries did the elephant have? It had gaping red wounds and a broken leg.
2. What percentage of the global tourism industry does wildlife tourism represent? 10 to 20 percent
3. What role does social media play in wildlife tourism? Social media spreads travel experiences very quickly and encourages people to visit such places.
4. Why are many tourists unaware of the problem? Because most people do not know what happens behind the scenes.
5. Who are mahouts? Mahouts are trainers who take care of elephants.
6. Why do trainers use bull hooks on elephants? Trainers use it to control elephants and make them pose for photos.

DISCUSS THE QUESTIONS AND SHARE YOUR OPINIONS.

- How did the video make you feel? Why?
- What scene affected you the most?
- Did anything in the video surprise you? What and why?
- Do you think tourists are responsible for animal suffering? Why or why not?
- Would you visit places like this after watching the video? Why?
- How can education help reduce animal exploitation in tourism?

The Truth About Dolphin Smiles: The dark side
Oceanica

englicity.pl

MONKEYS**

2

ZOOS - ARE YOU FOR OR AGAINST?

Find more arguments for and against. Then share your opinion.

1

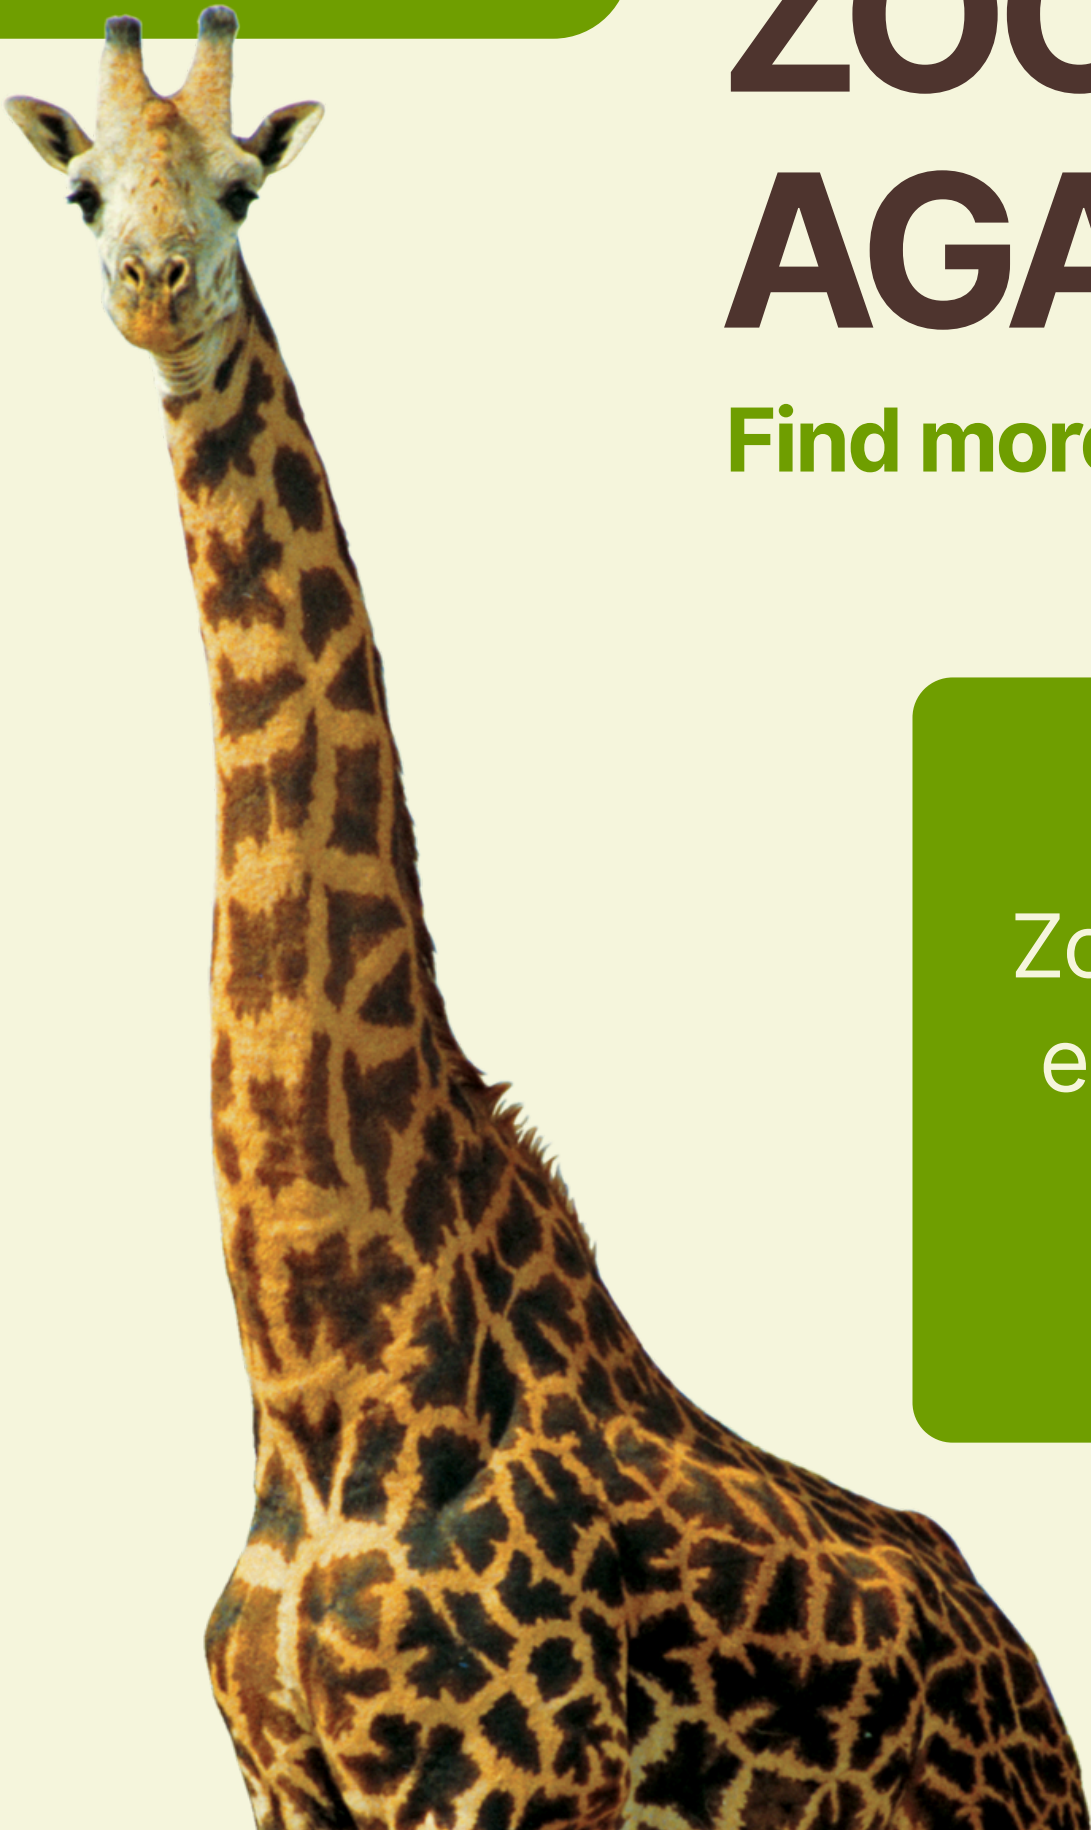

FOR

Zoos can help protect endangered species through breeding programmes.

2

AGAINST

Animals live in captivity and cannot behave naturally.
